PHONE: 601.425.2378 FAX: 601.425.2349

April 27, 2020

Dear Parents and Career Tech Students:

As we work towards the end of the school year the Faculty, Staff and Administration of the Jones County Career Technical Center, is providing additional enrichment activities for our students and support for our parents as we continue through these difficult times.

The following Part 2 enrichment activities will allow students to continue reviewing the instruction that they already have received this year.

Again you will find questions with answers for you to study and review. There are no assignments to be returned to school.

If the JCCTC can be of any assistance to our students and parents with the enrichment activities, please feel free to call us at 601-425-2378 between the hours of 9:00 a.m. and 1:00 p.m. or contact the instructor by email. Email addresses are located under the program name on our webpage.

Sincerely,

Rex Buckhaults
Director, JCCTC

Name: _____ Date: _____

ECE 1

1. Which of the following is not a time a child should wash his/her hands?
 - a. after playing outside
 - b. after using the restroom
 - c. after dramatic play
 - d. after wiping down/washing the tables
2. Which child care program consists of several parents that share the responsibilities of the caregivers?
 - a. Laboratory schools
